CHAPTER 16

FRANCE, ENGLAND, SPAIN, THE NEW WORLD, AND RUSSIA IN THE SEVENTEENTH CENTURY

Louis XIV · Lully · Purcell · Jacquet de la Guerre · Hidalgo

Textbook pp. 339–370

本章概覽 Chapter Overview

France 法國

Louis XIV · 宮廷舞蹈文化 · 音樂機構 · Lully 的悲劇歌劇

French Style 法式風格

Notes inegales · agrements · grand motet · 魯特琴與大鍵琴音樂

England 英格蘭

內戰與復辟 · 假面劇 · Purcell 與 Dido and Aeneas

Spain & New World

Zarzuela · Hidalgo · 新世界第一部歌劇 · villancico

Russia 俄羅斯

東正教傳統 · kontsert · kanty · 彼得大帝西化

太陽王路易十四 Louis XIV, the Sun King

r. 1643–1715 · 七十年統治改變了歐洲文化

- 自稱「太陽王」，以希臘太陽神 Apollo 自居
- Styled himself the Sun King; identified with Apollo, god of music & light

- 集中藝術權力：建立皇家學院——舞蹈 (1661)、文學 (1663)、科學 (1669)、歌劇 (1669)、建築 (1671)
- Centralized arts through royal academies
- 重建羅浮宮，興建凡爾賽宮——貴族被「留」在宮中
- Rebuilt the Louvre; built Versailles to control the nobility

- 法國藝術強調秩序、優雅、克制——與義大利炫技形成對比
- French art emphasized order, elegance, and restraint vs. Italian virtuosity

宮廷舞蹈文化 Dance at Court

- 舞蹈是法國文化核心——展現自制、優雅、高貴
- Dance was central to French culture: self-control, grace, grandeur

- Court ballet (ballet de cour) ：結合歌曲、合唱、器樂舞蹈的戲劇作品
- Louis XIII & XIV regularly performed in ballets

- Beauchamp 建立芭蕾五個基本腳位（至今沿用）
- Established 5 basic foot positions still used in ballet today

- Feuillet 《 Choregraphie 》 (1700) ：第一套完整舞蹈記譜法
- First complete method for recording dance steps and gestures

- 舞蹈作為政治控制工具——貴族忙於練舞，遠離權力鬥爭
- Dance as political control: kept nobility busy at Versailles

宮廷音樂機構 Music at Court

宮廷音樂分為三大部門，共 150–200 位音樂家
Three divisions with 150–200 musicians, organized like the state itself

Chapel 教堂	歌手、管風琴家、器樂手——負責宗教禮拜 Singers, organists, instrumentalists for religious services
Chamber 室內	獨唱、弦樂、魯特琴、大鍵琴、長笛——室內娛樂 Solo singers, strings, lute, harpsichord, flute for indoor entertainment
Great Stable 大馬廄	管樂、銅管、定音鼓——軍事與戶外儀式 Wind, brass, timpani for military and outdoor ceremonies

Vingt-quatre Violons du Roi (24 Violins) — 首個大型弦樂合奏 = 現代管弦樂團原型
Petits Violons (18 strings) — Louis XIV 的私人樂團

呂利 Jean-Baptiste Lully (1632–1687)

- 生於佛羅倫斯， 14 歲來巴黎——雖為義大利人，卻塑造了法國音樂
- Born in Florence; came to Paris at 14 as Italian tutor to a cousin of Louis XIV

- 出色的舞者——在《 Ballet de la nuit 》 (1653) 中與國王共舞
- Brilliant dancer; Louis appointed him court composer & director of Petits Violons

- 1661 成為國王室內樂總監，掌管所有宮廷樂團
- Superintendent of Music for the King's Chamber

- 1672 購得皇家特許——獨佔法國歌劇製作權
- Purchased royal privilege: exclusive right to produce sung drama in France

- 1687 指揮《 Te Deum 》時以指揮杖擊中腳趾，傷口感染壞疽而亡
- Died after hitting his foot with conducting staff; gangrene followed

悲劇歌劇 Tragedie en musique

Lully 與劇作家 Philippe Quinault 合作創造的法國歌劇形式

- 五幕結構，取材古代神話或騎士傳奇
- Five-act dramas from ancient mythology or chivalric tales

- 序幕 (prologue) 歌頌國王——劇情暗喻克制激情的美德
- Prologue with allegorical praise of the king

- 穿插大量 divertissements （舞蹈、合唱、器樂插曲）
- Frequent divertissements: dances, choruses, instrumental interludes

- French overture ：慢 - 快兩段式序曲（莊嚴附點節奏 + 賦格快板）
- French overture: slow dotted section + fast imitative section

- 歌唱「 airs 」比義大利詠嘆調更簡潔——強調詩意與旋律
- Airs: simpler than Italian arias; syllabic, tuneful, no virtuosic display

NAWM 85b · Lully, Armide (1686)

Act II 的 divertissement — 女巫 Armide 命魔鬼引誘戰士 Renaud

- 牧羊人 / 牧羊女 / 仙女歌頌愛的歡愉，穿插器樂舞蹈
- Shepherds & nymphs sing of love; instrumental dances interspersed

- NAWM 85c ： Armide 的獨白——宣敘調與詠嘆調交融
- Armide's monologue: recitative flows into air without a break

- Lully 的宣敘調模仿法語語調——不規則拍號交替
- Recitative follows French speech: irregular meters (duple/triple alternate)

- 附點節奏的管弦序奏 = tirades ，象徵超自然力量
- Orchestral prelude with dotted rhythms (tirades) = supernatural power

法式演奏慣例 French Performance Practice

Notes inegales
不等音符

記譜為均等的音符，演奏時長短交替（如搖擺節奏）
Evenly notated notes performed with alternating long-short durations

Overdotting
過度附點

附點音符被延長得比記譜更長——使節奏更銳利
Dotted notes held longer than written; sharpens rhythmic profile

Agrements
裝飾音

顫音、倚音等小裝飾——強調重要音、增添表情
Trills, appoggiaturas: emphasize cadences, enhance expression

這些慣例是法國品味的象徵——義大利人的炫技裝飾被視為粗俗
These practices were signs of refined French taste; Italian embellishments were seen as

法國教會音樂 French Church Music

- Petit motet （小經文歌）：少數聲部 + 數字低音
- Small motet for few voices with continuo

- Grand motet （大經文歌）：獨唱、大小合唱團、管弦樂團
- Large motet for soloists, double chorus, and orchestra — Lully's Te Deum (NAWM 86)
- Marc-Antoine Charpentier (1643–1704) ：引入義大利不協和與半音對位
- Introduced Italian dissonance & chromaticism; studied with Carissimi in Rome

- Charpentier, Le reniement de Saint Pierre (NAWM 87) ：音樂化彼得三次不認主
- Dramatizes Peter's threefold denial; closing chorus of ravishing dissonant suspensions
- Michel-Richard de Lalande (1657–1726) ： Louis XIV 晚年最愛的教會作曲家
- 70+ grand motets with masterly command of the genre

法國歌曲 Air de cour & Song

- Air （歌謠）是 17 世紀法國最重要的聲樂室內曲類型
- The air was the leading genre of vocal chamber music in France

- Air de cour （宮廷歌）逐漸退流行，被 air serieux （嚴肅歌）取代
- Air de cour gradually replaced by air serieux (serious air)

- Air a boire （飲酒歌）：輕鬆、幽默、政治或愛情主題
- Drinking songs on love, pastoral, political, or frivolous topics

- Michel Lambert (ca.1610–1696) ： Lully 的岳父，最具影響力的歌曲作曲家
- Lully's father-in-law; published first collection of airs with basso continuo (1660)

- 通常為分節歌形式， 1–3 聲部 + 魯特琴或數字低音伴奏
- Strophic; scored for 1–3 voices with lute or continuo accompaniment

魯特琴與大鍵琴音樂 Lute & Keyboard Music

- Denis Gaultier (1603–1672) ：最重要的魯特琴作曲家
- Leading lute composer; La rhetorique des dieux (NAWM 88)

- 大鍵琴 (clavecin) 在 17 世紀中取代魯特琴成為主要獨奏樂器
- Harpsichord displaced the lute as the main solo instrument

- Style luthe / Style brise （琉特風格 / 碎奏風格）：和弦琶音化而非同時彈奏
- Broken-chord texture imitating lute style; chords arpeggiated, not blocked

- 重要大鍵琴家： Chambonnieres · D'Anglebert · Jacquet de la Guerre · F. Couperin
- Clavecinists served Louis XIV and published collections for amateurs

組曲與套曲 Suite & Ordre

法國作曲家將一系列舞曲組合為 suite （組曲）
French composers grouped dances into suites, each dance with unique character

Allemande	中慢速、 4/4 、嚴肅	German origin; serious character
Courante	中速、 3/2 或 6/4 、機智	French; witty, metric ambiguity
Sarabande	慢速、 3/4 、莊嚴	Spanish/New World; stress on beat 2
Gigue	快速、 6/8 或 12/8 、活潑	English/Irish; lively, imitative

多數舞曲為 binary form （二段體）： ||: A :||: B :|| — 各段調性走向不同
Most dances in binary form; optional dances: gavotte, minuet, chaconne, etc.

NAWM 89 · Jacquet de la Guerre

Pieces de clavecin, Suite No. 3 in A Minor (1687)

- Elisabeth-Claude Jacquet de la Guerre (1665–1729) ：五歲即為太陽王演奏
- Child prodigy who sang and played harpsichord for Louis XIV from age 5

- 89a Prelude ： unmeasured prelude （無拍號前奏曲）——法國獨特體裁
- Free rhythmic notation; sounds improvisatory, like a toccata

- 89b Allemande → 89c Courante → 89d Sarabande → 89e Gigue
- 展示組曲四大標準舞曲，全為二段體

- 89f Chaconne ： rondeau 形式 + 89g Gavotte + 89h Minuet
- Rondeau form with alternating couplets

法國風格的歐洲影響 Emulation of French Style

- 三十年戰爭後法國成為歐洲領導強權（1648–）
- France was the leading power in Europe after the Thirty Years' War

- 法國品味、禮儀、藝術被廣泛模仿——從英國到俄國
- French tastes, manners, and arts widely imitated across Europe

- 1660s 起歐洲存在兩大音樂風格：義大利 vs. 法國
- Two dominant national styles: Italian (opera, sonata, toccata) vs. French (dance, suite, overture)
- 法式序曲影響 Bach 、 Handel 的序曲與組曲
- French overture used across Europe for ballets, operas, oratorios, instrumental works

英格蘭歷史背景 England: Civil War to Restoration

- 英國為有限君主制——國王與國會共享權力
- Limited monarchy: king shared rule with Parliament

- Charles I (r.1625–49) 擴張王權，引發內戰 (1642–49)—— 被處決
- Civil War; king executed 1649; Commonwealth under Cromwell (1649–58)

- 1660 Restoration 復辟： Charles II 回歸——宮廷音樂復興
- Monarchy restored; Charles II returned from exile in France

- 1689 光榮革命 & 權利法案：君主立憲確立
- Glorious Revolution; Bill of Rights → constitutional monarchy

- 王室財力不及法國——公眾付費音樂會因此誕生 (1672)
- Royal house had less money → public concerts invented in England

假面劇與劇場 English Masque & Theater

- Masque （假面劇）：自亨利八世以來的宮廷娛樂——結合舞蹈、歌唱、佈景
- Favorite court entertainment since Henry VIII; shared elements with opera

- Cromwell 清教徒時期禁止舞台戲劇——但允許私人音樂
- Puritans banned stage plays but not private musical entertainments

- 僅存完整假面劇： Cupid and Death (1653) — Locke & Gibbons
- Only complete masque whose music survives

- 復辟後劇場加入音樂插曲——但英國觀眾不接受全唱歌劇
- After 1660, plays included musical episodes; fully sung opera didn't catch on

- 僅兩部全唱歌劇： Blow's Venus and Adonis (ca.1683) & Purcell's Dido and Aeneas
- Only two through-sung dramas for private audiences

乍浦爾 Henry Purcell (1659–1695)

"The British Orpheus" — 英國最偉大的巴洛克作曲家

- 父親為皇家教堂成員； Purcell 自幼加入教堂唱詩班
- Father was Chapel Royal member; Purcell joined as choirboy

- 八歲出版第一首歌曲——公認的神童作曲家
- Published first song at age 8; recognized as a gifted prodigy

- 1677 繼 Matthew Locke 為宮廷小提琴作曲家； 1679 西敏寺管風琴師
- Composer-in-ordinary for the violins; organist of Westminster Abbey

- 創作涵蓋幾乎所有體裁：歌劇、附隨音樂、頌歌、歌曲、室內樂、鍵盤
- Wrote in almost every genre: opera, incidental music, anthems, songs, chamber, keyboard
- 36 歲英年早逝，葬於西敏寺——被譽為「不列顛的奧菲斯」
- Died at 36; buried in Westminster Abbey

Dido and Aeneas (ca. 1687–88)

迷你歌劇傑作——三幕僅約一小時，四位主角

- 首演於女子寄宿學校——可能原為宮廷創作
- First known performance at a girls' boarding school; may have been intended for court
- 以 Blow 的 Venus and Adonis 為範本——融合英、法、義三國風格
- Modeled on Blow's Venus and Adonis; combines English, French, Italian elements

- French overture + Lully 式齊唱合唱 + 義大利式詠嘆調（建立在固定低音上）
- French overture; homophonic choruses like Lully; Italian arias over ground bass

- 英式宣敘調：靈活配合英語的重音、節奏與情感
- English recitatives mold flexibly to accents and emotions of English text

NAWM 90b · Purcell, "When I am laid in earth"

Dido's Lament — 歌劇史上最動人的詠嘆調之一

- 建立在下行半音固定低音 (descending chromatic tetrachord) 之上
- Descending chromatic ground bass — Italian tradition of lament
- Purcell 在低音線加入更多半音，增強悲劇色彩
- Adds chromaticism to bass line; sighing figures in voice and violins
- 懸留音 (suspensions) 落在強拍，強化不協和的痛苦感
- Suspended notes rearticulated on strong beats intensify dissonance
- NAWM 90a ： Dido 的臨終宣敘調 "Thy hand, Belinda"
- Slow stepwise chromatic descent; portrays dying Dido
- NAWM 90c ：結尾合唱 "With drooping wings" — 模仿 Blow
- Closing chorus with descending figures; profound sorrow

英國聲樂與器樂 English Vocal & Instrumental Music

- Semi-opera （半歌劇）： spoken play + overture + masques ，如 The Fairy Queen (1692)
- Dramatic opera: spoken play with 4+ masques or musical episodes
- Catch （輪唱曲）：幽默、粗俗的卡農——紳士社交娛樂
- Round or canon with humorous, often ribald text; gentlemen's entertainment

- Anglican church music ：復辟後恢復 anthem 與 Service 傳統
- After Restoration, anthems and Services revived; Charles II favored French grand motet style
- Viol consort 音樂： In Nomines & fantasias — Jenkins, Locke, Purcell
- Amateur music-making; last important examples ca. 1680

- Public concerts 公開音樂會： 1672 年 London 首創——付費入場
- First public concert series advertised in London Gazette, December 1672

西班牙與新世界 Spain and the New World

- 1600 年西班牙帝國為全球最富——白銀來自新世界殖民地
- By 1600, Spain was the richest country: silver from New World colonies

- Juan Hidalgo (1614–1685) ：西班牙音樂劇場之父
- Founder of Spanish musical theater; created the zarzuela with Calderon

- Zarzuela ：交替唱說的輕歌劇——西班牙的 national genre
- Light mythological play alternating sung and spoken dialogue

- La purpura de la rosa (NAWM 91) ： 1701 Lima—— 新世界第一部歌劇
- First opera produced in the New World; by Tomas de Torrejon y Velasco (1644–1728)
- 教會音樂： villancico （聖誕歌）—— Padilla (NAWM 92) 在 Puebla, Mexico
- Christmas villancico Albricias pastores by Juan Gutierrez de Padilla (ca.1590–1664)

西班牙器樂與教會音樂 Spanish Instrumental & Sacred Music

- 管風琴： tiento （提恩托）——即興式模仿作品，類似幻想曲
- Tiento: improvisatory imitative genre akin to the fantasia

- Juan Bautista Jose Cabanilles (1644–1712) ：西班牙管風琴領袖
- Leading Spanish organist; Tiento de batalla imitates trumpet calls

- 豎琴與吉他：主要室內樂器——圍繞舞曲與固定低音變奏
- Harp and guitar: main chamber instruments; sarabande, chacona, passacalle

- 殖民地教會音樂將歐洲技法與當地文化融合
- Colonial church music blended European polyphony with local traditions

俄羅斯 Russia

中世紀以來文化孤立—— 17 世紀開始吸收西歐影響

- 俄羅斯東正教會：禁止樂器—— znamenny chant （知名聖詠）為單聲部
- Russian Orthodox Church banned instruments; znamenny chant was monophonic

- Nikolay Diletsky (ca.1630–after 1680) ：引入西方和聲與對位
- Idea grammatikii musikiyskoy (1679): earliest known description of the circle of fifths
- Kontsert （聖樂協奏曲）：多聲部合唱， Vasiliy Titov (ca.1650–1715) 為代表
- Sacred concerto for voices alone; Titov set all 150 psalms as kanty

- Kanty （三聲部歌曲）：上二聲部平行三度——簡單、流行
- Three-voice song; top voices in parallel thirds; sacred or secular

- Peter the Great (r.1682–1725) ：西化改革——建立聖彼得堡，引入歐洲音樂
- Westernization: founded St. Petersburg (1703); brought European music and theater
